

MOTT GROUP

PLUMBING & BUILDING SERVICES

All trades at your service

*Call Us
8462 9895*

Mott Group provides a complete range of building services across all trade disciplines servicing both the commercial and residential sectors.

Providing quality service for over 25 years, our team offers expert advice and experienced trades people with the convenience of utilising one company to handle all your general building repairs, refurbishments, renovations and maintenance work.

A broad cross section of trades are available including plumbing, carpentry, electrical, painting, tiling and air conditioning servicing, to name a few.

We offer a 'do and charge' service for all trades and smaller building repair works with written quotations provided for larger scope projects.

Mott Group provides scheduled routine plumbing & building maintenance programs tailored to suit your property's specific requirements.

The real market leading advantages Mott Group offer to you are:

- Save your valuable time – one call & all trades are at your service
- Rapid response for emergencies
- 24 hour emergency plumbing & electrical service
- Tap into our Contracts Managers who have a wealth of industry experience
- Professional qualified trades people
- Mott Group provides solutions for all your plumbing and building services requirements
- We are professional and efficient in addressing the specific and varied needs of each job as presented
- Complete Project Management if required
- Industry accredited, licensed and affiliated
